## School Supply Collection

A School Supply Collection was held in every division and at the union hall July 10 – July 28 for any and all new school supplies. August 9 the supplies were boxed up and delivered to Sheridan Elementary School. The Education Committee would like to thank those who showed support to our future leaders. Your donations were greatly appreciated!

## New HSA cards from Optum Bank

Optum Bank will be reissuing HSA debit cards to all of their HSA holders. Optum Bank is making this change because they've enhanced the HSA payment card with an updated look and a longer expiration date (now good for 5 years instead of 3). The new card will replace the HSA cards you have today.

Kohler account holders can expect to receive new card in the mail around **August 7**. As a reminder, someone may have contributed to an HSA in years past with a balance yet and so people will receive the new card even if they are not actively contributing to an HSA in 2023. Associates will need to take action to activate the new card by **August 28** (their old card will deactivate on this date).

## Questions Asked and Answered

I am having issues getting on Sharecare to earn my points for saving up to \$600 per year for 2024 Kohler medical. (It would be up to \$1,200 per year if you have an enrolled spouse and both participate). Is there a number I can call?

Please be sure you are going to the Sharecare site at **Sharecare.com/Kohler**. If you need help call sharecare customer service at 855-561-7028, Monday-Friday 7am-7pm CT, Saturday 8am-4:30pm CT.

In memory of the Brothers & Sisters we have lost:
