2022 Adopt-A-Family

A huge thank you for participating in the Adopt-A-Family!!! Volunteers from each division collected funds from co-workers in an attempt to raise enough money to help the Adopt-a-Family program run by the Sheboygan County Health and Human Services Department.

How did this all begin? The UAW Local 833 Community Services Committee began the challenge between the divisions; what division could raise the most money per capita? In the beginning three divisions took the challenge; it has now grown to incorporate all seven of the divisions of Kohler Company according to Ellen Schleicher, UAW Local 833 Community Services Chair.

This was not a new concept; Schleicher had heard that many individual departments within the Kohler Company combined funds to help out at Christmas. The concept being that if more money is collected more families wishes could be granted. With the help of volunteers and cooperation from management, funds were collected on a division-wide basis, hoping that as a large group we could make a difference.

According to Pat Prigge, Social worker/volunteer coordinator for Social Services, the donations were distributed to children and families throughout Sheboygan County who are actively working with the Department of Health and Human Services and are motivated to make the necessary changes to improve their situations and their lives. She also states that "this is one of the largest donations that this Department receives each year and that they appreciate and thank this group for their thoughtfulness and generosity.

Congratulations to the Pottery, winners of the Adopt-a-Family Challenge!!! The biggest winners in this challenge are the families who were helped. However, the donors and volunteers are also winners as they can feel good that they are responsible for making many people in our community have a happy Christmas. We would like to thank all the volunteers who collected the funds and who contributed to the fund raiser!!! We hope that everyone enjoys a happy, healthy and safe holiday.
