Issue 31

Caitlin Schultz UAW Local 833 Trustee

Caitlin is currently serving a second term as an elected UAW Local 833 Trustee and a member of the Executive Board.

She started her Kohler career in D.C. WIP. After 1 ½ years she transferred to D.C. For the last six years she has been a PIV

Trainer; along with being a first responder for the last four years.

Her UAW involvement includes being on the building committee, education committee, women's committee, and the young committee. If you have attended 2nd shift informational meetings or Saturday membership meetings you have seen her selling raffle tickets.

Caitlin has taken an active part in the last four years of Casino Night fund raiser.

Caitlin is the daughter of Todd Schultz, a Kohler Generator employee. She has a special five-year-old cat, Casper. When she is not working, she can be found hanging out with her grandmother, who she has a special bond with, relaxing with friends, or spending some special time with her five-year-old Godson, Dario.

The Education Committee

is requesting your help!!! A School Supply Collection is being held in every division and at the union hall. The collection will take place July 11 – July 29 for any and all new school supplies. Local 833 is part of the community; let's show some support to our future leaders. There will be boxes/barrels in the entry area of each division and at the hall. Your donations will be greatly appreciated.

BACK TO SCHOOL

Kohler Pension Benefits if you “die” prior to retirement

The plan provides a benefit to your spouse, or non-spousal beneficiary for unmarried participants who have 20 or more years of benefit service, if you die before retirement.

If you have been married for at least 12 months, the plan provides a lifetime pension benefit to your spouse if you die after you are vested in your plan benefit, but before

you start receiving payments. This coverage is automatic.

“If you die after attaining your earliest retirement age, the benefit amount is equal to 50% of the lifetime benefit you would have received under the plan's single-life annuity option, assuming you retired under a single-life annuity option on the day before your death. If you die while employed by the Company but prior to your earliest retirement age, the benefit amount is equal to 50% of the lifetime benefit you would have received under the plan's single-life annuity option assuming you terminated employment on your date of death, survived until your earliest retirement age, and died the following day. If you die after terminating employment but before attaining your earliest retirement age, the benefit amount is equal to 50% of the lifetime benefit you would have received under the plan's single-life annuity option assuming you had survived to your earliest retirement age and died the next day.

If you are unmarried (or married for less than one year), and have earned 20 or more years of benefit service, you may designate a non-spousal beneficiary who may receive a pre-retirement death benefit in the event of your death prior to retirement.

The benefit amount is equal to 50% of the lifetime benefit you would have received under the plan's single—life annuity option making the same assumptions described above.

****Important note: A pre-retirement survivor benefit will not be paid on your behalf if a valid beneficiary designation is not on file with the plan administrator when you die and you do not have an eligible surviving spouse. It is your responsibility to keep the plan administrator up-to-date regarding your marital status and beneficiary information.** You may change your beneficiary at any time by submitting a new Pre-Retirement Survivor Annuity Designation Form available through Corporate HR Services. You may contact Corporate HR Services at 920.457.4441 extension 74900 option 1, option 6.

Did you know?

A change to coverage under Kohler United Healthcare for preventive Colonoscopy's, including Cologuard, is for ages 45 – 75; if billed as preventative.

Cologuard, Fecal DNA, is once every three years. If they did find something and then wanted to do a colonoscopy, they would bill the colonoscopy as medical and it would apply to the medical benefits. The colonoscopy would not be billed as preventative.

Short-term Disability-Covid

You have tested positive for Covid (home tests not accepted) by a facility. Now what? Contact Kohler 920-457-4441 extension 74900 option 1, option 1. This is the contact number to receive disability paperwork. They will email or mail a hard copy to you. To ensure you receive the correct paperwork you should share that you received a positive covid test (home tests not accepted). You will have to share the positive Covid test with Kohler. The CDC guidelines for Covid is you can leave isolation after five days. The first three days are unpaid, the next two days would be paid. If you are out more than five days you will have to see a doctor for disability.

What kind of tree fits in your hand?

A palm tree!

INFORMATIONAL MEETINGS

Bill Powers, Chris Blanke, Richard Koeller, Joe Klapperich/Dave Konik

In memory of the Brothers & Sisters we have lost: Dave Reimer, Jeff Jesinski, & Rob Hanson

Golf Outing July 8-9

The weather was a bit nippy on the early morning hours of July 8. UAW golfers on the course enjoyed the camaraderie of fellow UAW members. One drop, two drops, a nice steady rain passed over. A little rain did not stop the enjoyment of the day.

The morning of July 9 the weather was perfect for golfing. The golfers signed in, got their carts, and headed for the holes. It was a great day for active and retired UAW members.

Thank you to the golf committee, volunteers, Hickory Hills, and the golfers for a great weekend of golf.
