## UAW Sheboygan Area UAW 2023 Golf Outing

The weather was perfect, sun-filled with golfing, refreshments, food, laughs, and camaraderie at this year's golf outing. The event was held at Hickory Hills Country Club, Chilton, WI, July 7 and 8.

To host these events, we have been very fortunate to have members volunteer. Thank you to Mark and Jill Aschenbach for all the years they have been overseeing the golf outing! Thank you to the golf committee, volunteers, Hickory Hills, and the golfers for a great weekend of golf.

There are a variety of committees that you may choose to get involved in here at UAW Local 833: Bylaws, Union Label, Education, Conservation, Community Services, Scholarship, Civil & Human Rights, CAP, Consumer Affairs, Veterans, and Women's. ## BACK TO SCHOOL

In memory of the Brothers & Sisters we have lost:  
**David Schneider**

**Did you know?** Under the Kohler Healthcare for preventive Colonoscopies, including Cologuard, is covered for ages 45 – 75; if billed as preventive.

Cologuard, Fecal DNA, is once every three years. If they did find something and then wanted to do a colonoscopy, they would bill the colonoscopy as medical and it would apply to the medical benefits. The colonoscopy would not be billed as preventative.
