## Scott Schweitzer Enamel Chief Steward

Scott was born in a log cabin that he helped his father build (just kidding). Scott started his adventure at Kohler in the enamel division. Currently, he holds a manual enameler position. He has received training at Ottawa and is a member of the Bargaining Committee. Scott has seen many changes over the years in the enamel division. When he first

started at Kohler there were about 130 manual enamelers. Over the last 30 years they are down to 21 total manual enamelers/cell operators. This came after the introduction of the ATL, ASL, and other robots.

On a personal note, Scott is married to wife, Stacy, and has two wonderful daughters. In his free time he likes to go to his cabin. He enjoys fishing, gardening, and anything outdoors. He has two dogs, one lab, and one lab shepherd/great dane mix. Scott also helps out at his church.

Why did Scott become a steward and then chief steward? Because he likes to help and talk to people and to hold the company accountable to the contract.

## From the Desk of the President Tim Tayloe

## Questions Asked and Answered

I am not enrolled in the 2023 Kohler Medical Coverage. I am planning to enroll during open enrollment in November for Kohler Medical Coverage for 2024. Am I able to earn the medical plan contribution discount for 2024?

You do not have to be enrolled in a Kohler medical plan to have access to Sharecare. Example: I am not enrolled in Kohler medical but am ELIGIBLE, therefore I have access to Sharecare and can earn the same rewards if I decide to enroll for the following year.

If you are having issues registering for Sharecare, I'd suggest calling the Sharecare Customer Service number, but as mentioned, as long as you are a benefit-eligible associate, you are eligible to register for Sharecare (same as the WebMD experience).

Please be sure you are going to the Sharecare site at [www.Sharecare.com/Kohler](http://www.Sharecare.com/Kohler). If you need help, call sharecare customer service at 855-561-7028, Monday-Friday 7am-7pm CT, Saturday 8am-4:30pm CT.

## Retirees

August 23, the hottest day of the year, the UAW retirees hit one out of the ball park at American Family Field. They spent the day sweltering in the shade as the Brewer/Twins game went into extra endings. The Brewers took the win! The retirees headed back to the hall for a Brat fry and refreshments. This Brewer outing went in the books as a home run! Thank you to those who volunteered their talents and time to make this event possible!
